Delhi, India

About Me

Hi, I'm Rahul Kumar, a second-year computer science student with a passion for web development and Graphics Designing. I love creating innovative web applications, and I'm always on the lookout for new technologies to learn and explore.

Experience

**Fellowship program with
GDSC(2022 May - 2022 August)**
Frontend Developer

My Team Dark Triads won a inter college hackathon and we got a opportunity to work with Google Developer Students CLub. The main goal for this collabration was to build a site for our college.

Pseudo Labs 2022 - 2023

Frontend Developer

Pseudo Labs is a blog site that i created with one of my friend in college for the project purpose. This was our startup idea.
